Camp Directors

Brandie Murrish

Under Coach Murrish's guidance, the Wolverine's have continued to dominate the Sacramento region and have finished in the Top 20 in the State for the past 12 seasons. Her success on the court has translated into dozens of student-athletes going on to excel at the 4 year level academically and athletically. She believes success is built on confidence and confidence comes from knowing you are well prepared. Coach Murrish stresses hands-on learning with one camp coach for every six campers, guaranteeing quality individual instruction.

Scott Pisik

Scott Pisik enters his 13th year as assistant for Sierra's Women's Basketball Team and his 26th season overall. Coach Pisik has directed NBC camps nationally and brings an intensity that motivates players to improve in the off-season. His ability to get campers shooting with correct form during the week, has led to many campers returning to tell about all the buckets they scored during their season.
